

HELPFUL LINKS

ROADWORK IN THE AREA (RITA)

- This is a map of construction and events currently happening in Ada County that impact local roadways.
- This includes ACHD projects, as well as non-ACHD work.
- RITA is available as a map or in list form.

PROJECTS

- This link provides a list of all current ACHD projects.
- Each project is updated by the project manager as work progresses.
- This link also lists upcoming public involvement opportunities.

TELLUS

- Citizens can report issues, ask questions and provide comment through ACHD's TellUs system.
- Each TellUs report is dispatched to the appropriate department for response.
